Bible Lesson #24: Supernatural Eyesight

In 2 Kings 6, we find the prophet Elisha and his servant under siege by the Syrian army. Elisha is cool, calm and collective under this enormous pressure. His servant is fearful, stressed and freaking out. Why is Elisha so calm? Does he know something that others don't know? In this story, Elisha prays 3 times (vs 17, 18, 20)

Read: 2 Kings 6:8-23

Write down your thoughts:

We are in need of supernatural eyesight in these days. The kind of faith and awareness that sees the Lord of Hosts with us. The kind of faith that believes our LORD will never leave us nor forsake us. The kind of faith which believes the promise that the Spirit of the LORD is living in us and with us at all times.

Take some time to pray the prayer of 2 Kings 6:17 over yourself, your family and others you know who are overwhelmed and going through a difficult time.
